

**TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE**

FISCAL NOTE

SB 2299

February 22, 2012

SUMMARY OF BILL: Changes, from January 31 to February 15, the date by which the Department of Health is required to make its annual report on BMI screenings by school systems. Adds the Chairmen of the Education Committees of the General Assembly to the list of report recipients.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- The Department of Health will continue to compile and make its report on BMI screenings done by school systems.
- Any increase in state expenditures to print or transmit more copies of the report to additional recipients will be not significant.
- Changing the date that the report shall be made will have no fiscal impact on state or local government.

CERTIFICATION:

The information contained herein is true and correct to the best of my knowledge.
